

FOUCAULT TEST PATTERN 4-48

REFLECTANCE

The test grid consists of 11 groups each with 4 line grids which are arranged in the angles of 45°, 0°, 135° and 90°. The measures of the structures results from the following schedule:

Group	Gage Lp	Lp/mm
4	2	0.5
6	1.33	0.75
8	1	1
10	0.8	1.25
12,5	0.64	1.56
16	0.5	2
20	0.4	2.5
25	0.32	3.125
32	0.25	4
40	0.2	5
48	0.16675	6

The test grid is designed for the appraisal of the illustration quality of optical system like cameras, lenses, microfilm systems, amplification systems and many more.
